

# Bin Changes

SCANIT

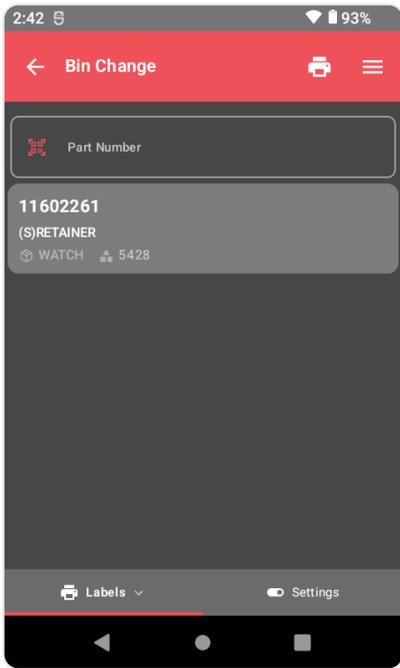

PARTS®

**Print History** — Tap the clock icon in the top bar to see recent print jobs (part#, label type, time, qty). Available on every screen.

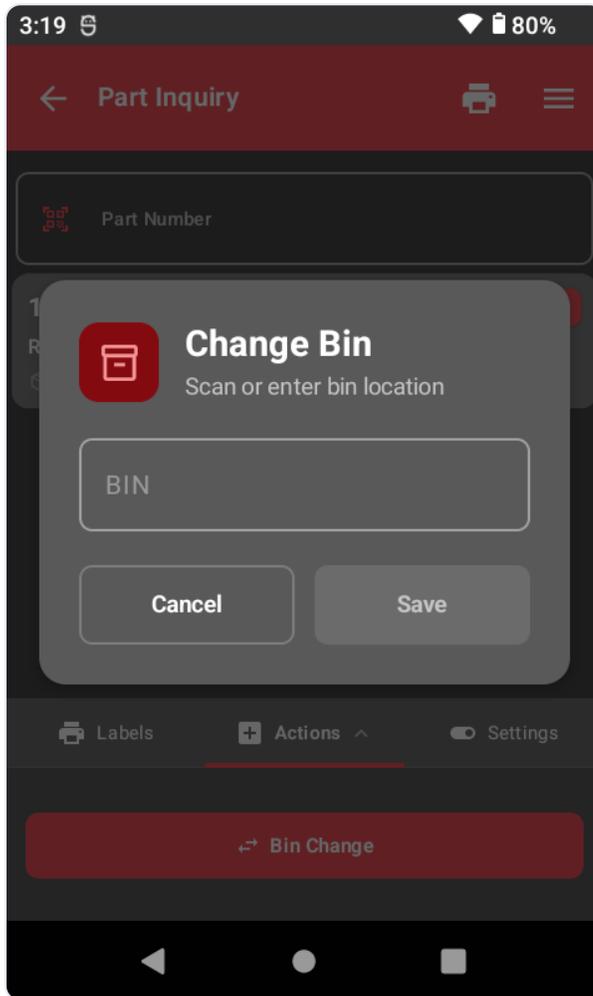

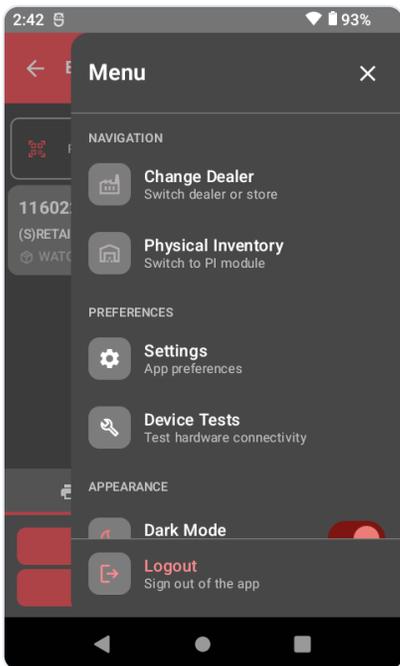

## 1. Select Bin Changes.

## 2. Scan/enter part to change.

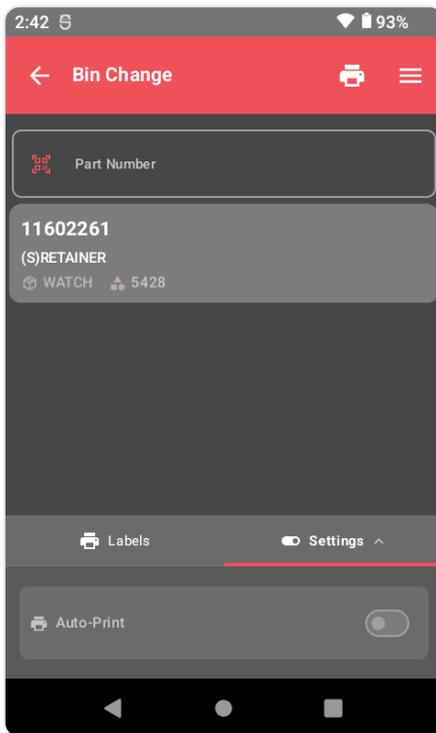

### 3. Enter new bin location.

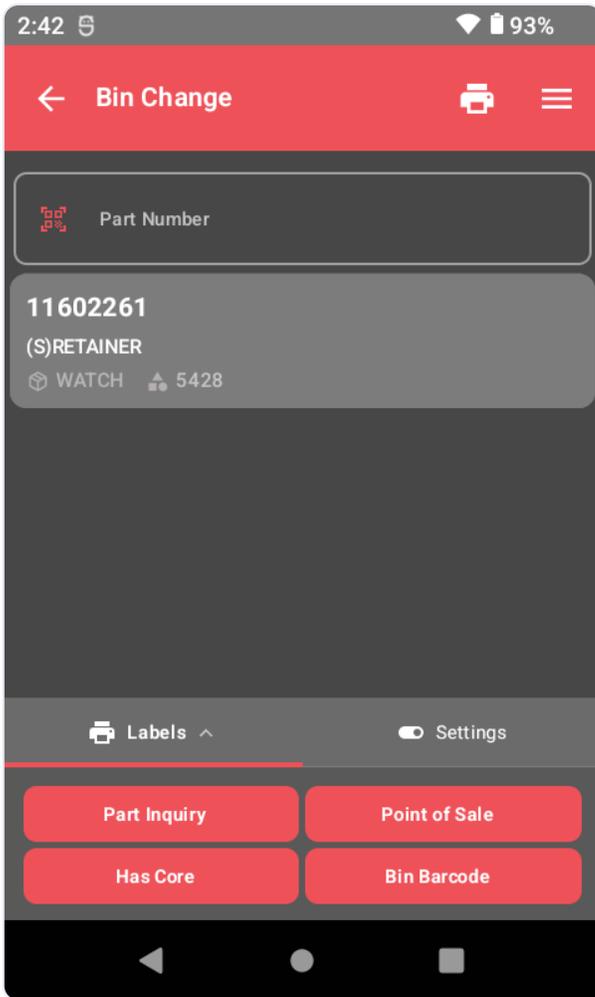

#### 4. There are two options for label printing:

##### a) Print Mode

- i. Button to the left = you will have to print a label manually
- ii. Button to the right = scanner will automatically print a label

## b) Bin Change Label

## c) Bin Barcode
